# Education Practice Research

The University Doctors Department of Psychiatry has been providing quality psychiatric services to adults and children for over 20 years. Our faculty consists of over 30 psychiatrists, 10 Advanced Practice Psychiatric Nurses and Psychologists.

We are the largest provider of adult and child psychiatric services in 5 South Jersey counties, 6 hospitals and 14 different organizations.

Our child psychiatry faculty consists of 10 child psychiatrists, child psychiatry fellow and advance practice nurses.

The Department of Psychiatry serves patients throughout the entire southern region of New Jersey: from Burlington to Cape May County.

As a teaching department we have a mission to remain current with leading medical practices.
